

CHRISTELLE

Lolium perenne

- Superior density for thick and luxurios lawn
- Advanced weed resistance for low maintenance
- High wear tolerance for high traffic areas
- Aesthetically pleasing with enhanced density
- Versatile application – suitable for both sport and lawn.

Superior Density for a Stunning Lawn

Experience the remarkable density of Christelle, the highly recommended perennial ryegrass that transforms your lawn into a visually stunning masterpiece. With its lush growth and thickness, Christelle creates a vibrant carpet of green that stands out in any neighborhood.

Christelle's superior density not only adds beauty but also serves a practical purpose. The dense growth naturally suppresses weeds, reducing their establishment and minimizing the need for constant maintenance.

High Wear Tolerance for Durability in High-Traffic Areas

Choose Christelle for its exceptional durability and resilience, making it perfect for areas with high traffic. Whether it's a bustling park, a stadium, or your own backyard, Christelle can withstand heavy use without compromising its appearance.

With its high wear tolerance, Christelle remains lush and green even in heavily trafficked areas. Feel confident that your lawn will stay beautiful and withstand the demands of daily activities.

Low Maintenance and aesthetic appeal

Enjoy a beautiful lawn with minimal effort thanks to Christelle's low maintenance nature. Its natural vigor and adaptability make it an easy-to-care-for option, giving you more time to relax and enjoy your outdoor space.

Choose Christelle, the highly recommended perennial ryegrass that combines superior density, high wear tolerance, low maintenance, and aesthetic appeal. Transform your lawn into a stunning masterpiece that requires less effort and offers more moments of relaxation and enjoyment.
