

# JOHNSONS GENERAL PURPOSE

## Johnsons Lawn Seed

- Family lawn, all-round mixture
- Outstanding appearance
- Hard wearing
- Cold and temperate climates

## General Purpose

General Purpose is an excellent all-round mixture with an outstanding appearance whilst being very hardwearing.

Using modern dwarf type perennial ryegrasses and red fescue, General Purpose produces a lawn of superior appearance whilst being very hardwearing. Vigorous roots strengthen the turf and give it superior resilience and durability.

This excellent, all-round mixture will perform well in the majority of domestic situations. An ideal mixture for overseeding in spring or autumn.

To create and maintain a high quality lawn use an appropriate seedbed fertiliser before sowing. Once the lawn is established apply an appropriate lawn feed as required and overseed the lawn annually.

## Technical Specifications

- JOHNSONS GENERAL PURPOSE
- Outstanding appearance and hardwearing.

## Johnsons General Purpose Cold and temperate

---

### Mixture Composition

---

Perennial ryegrass - Quick Lawn	40%
