

SAILA

Lolium perenne

- Top-ranked for exceptional wear tolerance
- Unmatched wear tolerance and re-establishment capabilities.
- Long-Lasting and persistent, providing lasting support for years to come.
- Strong disease tolerance for healthy growth
Highly recommended by experts in both the Netherlands and the UK.

Saila – The Ultimate Choice for Sports Grounds

As a groundsman, you know that the quality of your turf can make all the difference in the performance of your athletes. That's why we're excited to introduce you to Saila – the perennial diploid ryegrass that has taken the sports world by storm. With its top ranking on the Grassgrids in the Netherlands, you can trust that Saila has the durability and strength demanded by the most intense athletic competitions.

Built to Last: Unmatched Tolerance and Persistency

Saila is a variety that truly lives up to its name, designed to sail through even the toughest match-ups. Its wear tolerance and re-establishment capabilities are unparalleled, making it the perfect choice for busy sports grounds with high traffic. And once established, Saila isn't going anywhere – its exceptional persistency ensures that your turf will be ready for action season after season.
